SUBJECT: COMPREHENSIVE REVIEW OF FEDERAL GOVERNMENT

RECORDS

Following up on Secretary Card's Memorandum to you of September 16, in order to determine what went wrong, what went right, and lessons learned from the comprehensive review of the Federal response to Hurricane Katrina that the President has ordered, you are requested to ensure

that, until further notice and in accordance with applicable laws, your Department or Agency (1) retains, preserves, and maintains all records relating to Hurricane Katrina, resulting flooding, or their aftermath ("Records"), whether presently existing or created in the future, and (2) upon request, provides Records to the Homeland Security Council for review. For purposes of clarity, "Records" is meant in the broadest sense, and includes all documents, reports, writings, letters, memoranda, notes, communications (including e-mails, faxes, and telephone records, and all communications with other Federal Departments and Agencies, State and local governments, and private sector entities), contracts, agreements, schedules, spreadsheets, travel records, data, electronically stored information, audio and video recordings, computer disks and hard drives, drawings, graphs, charts, photographs, and all other records of any kind. "Records" includes, but is not limited to, all records required to be preserved pursuant to the Federal Records Act of 1950, as amended, 44 U.S.C. § 3101 et seq.

If you have any questions regarding any of the foregoing, please contact Associate Counsel John Mitnick (202-456-2607) in the Office of Counsel to the President.

Thank you in advance for your assistance.
